*Are you an early bird or night owl?*

**I have always been a night owl. I am most productive at night when I am the only one awake.**

*What's your favorite flower or plant?*

**My favorite flower is a daisy, but I have just recently discovered a love for all plants. — especially the ones that are on “clearance,” and I can save.**

*What is your favorite time of the day and why?*

**My favorite time of day is around 5 am,. The birds are just waking up, and the dew is lingering — such a peaceful time. However, I rarely see it. I love my sleep too much.**

*What's your favorite tradition or holiday?*

**Easter morning sunrise service.**

*What did you name your first car?*

**My first car was an early 90s Toyota Camry, LE. The LE stood for Luxury Edition, but it soon became her name. I worked hard to buy Ellie, and she will always have a spot in my heart.**

*What is your favorite musical instrument and why?*

**Music is a big part of my life. I can play many instruments, and my husband is our church's worship leader. My favorite instrument is the banjo.**

*What's the best piece of advice you've ever been given?*

**I have been given plenty of advice throughout life, but two that stand out to me are “This too shall pass,” and “Children see, children do.”**

*What fictional world or place would you like to visit?*

**The Emerald City from The Wonderful World of Oz. I am not so sure about the witches, but the city seems magical and nice.**

*As a child, what did you want to be when you grew up?*

**I had many careers in mind, but my wish was to be Patsy Cline.**

*If you could choose any two famous people to have dinner with, who would they be?*

**I would pick Lucille Ball and Corrie Ten Boom. Both were extremely strong women but in completely different areas.**
